

Next to being an IT consultancy company, bITco is also an investor.
We invest in real estate at major global locations.

The properties are used to house the contractors, but also as a long term investment.

Here is an overview of some properties:

- London, Canary Wharf: rented-out until 30/9/2013
- [Brussels, Botanique](#) : rented-out until 30/06/2013
